

WHEELS ON THE BUS

The wheels on the bus go
Round and round
Round and round
Round and round
The wheels on the bus go
Round and round
All through the town

Take turns on the bus and
you will see
One, two, three – it's easy
If you're not first please
don't worry
Your turn will come

The hands on the bus go
CLAP! CLAP! CLAP!
CLAP! CLAP! CLAP!
CLAP! CLAP! CLAP!
The hands on the bus go
CLAP! CLAP! CLAP!
All through the town

The fingers on the bus go
SNAP! SNAP! SNAP!
SNAP! SNAP! SNAP!
SNAP! SNAP! SNAP!
The fingers on the bus go
SNAP! SNAP! SNAP!
All through the town

The rhythm on the bus goes
Round and round
Round and round
Round and round
The rhythm on the bus goes
Round and round
All through the town

The Mommies on the bus go
KISS! KISS! KISS!
KISS! KISS! KISS!
KISS! KISS! KISS!

MEOW, MEOW, MEOW!
All through the town

The lights on the bus go
FLASH, FLASH, FLASH!

PROCRASTINATE

Woof!
Please do not procrastinate
'Cause if you do we will be late
It is good to be on time
So help your Mommy and we'll
be fine.

But I want to wear this silly hat
Or fiddle around with this
or that
Or make a super giant mess
These are things that I do best!

Woof! Listen to Mommy. You have
to cooperate.
If you keep goofing around
You'll miss your ride to the
parade!

Okay, Mommy....
Hey! Was that a butterfly?

There's so many things that look
like fun
Like toys and bugs and trucks
and drums
All around is so much stuff
I can't seem to get enough

Woof! Please just do as I say
You gotta help me, okay
Put your shoes on
No! No! Not on your head
Woof! Put them on!
We gotta go!

TUNE IT UP

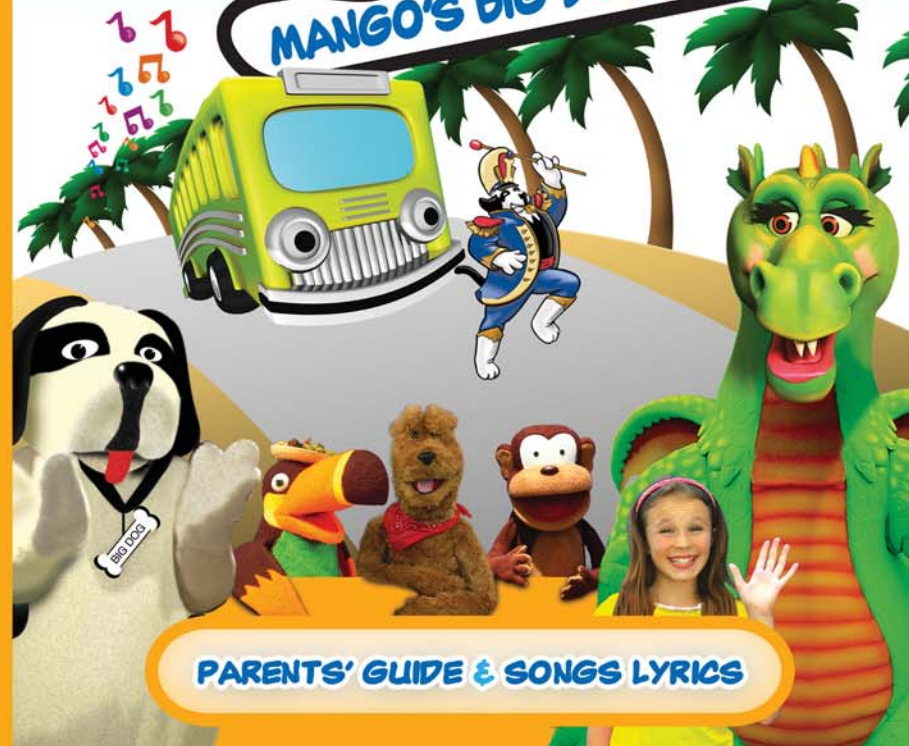

C'mon! C'mon! C'mon! – You got
to tune it up!
Adjust the engine just enough
Test the springs and the fuel intake
And don't forget about the power
brakes.

Check the oil and balance the
tires
Eight spark plugs and a few
new wires

PARENTS' GUIDE & SONGS LYRICS

With every part we'll make
a fuss
Roll up your sleeves and
tune-up that bus!

C'mon! C'mon! C'mon! – You
got to tune it up!
Adjust the engine just enough
Test the springs and the fuel
intake
And don't forget about the
power brakes.

Check the oil and balance the
tires
Eight spark plugs and a few
new wires
With every part we'll make
a fuss
Roll up your sleeves and tune-
up that bus!
Roll up your sleeves and tune-
up that bus!

You got to tune up that bus!

TAKE YOUR TURN

Come on! Come on! Come on! –
You gotta take your turn!
It's a lesson that is easy to learn
It's so simple to go one by one
And soon you'll see that tak-
ing turns is fun!

Going second is just as good
And third is not so bad
Before you know it, your turn
will come
And you can have fun like
everyone!

Come on! Come on! Come on!
– You gotta take your turn!
It's a lesson that is easy to learn
It's so simple to go one by one
And soon you'll see that tak-
ing turns is fun!

Come on! Come on! Come on!
You gotta take your turn!

FAIRIES' GOLDEN RULE

You don't need to fight.
You can get along.

You don't need to hit or bite.
Just listen to our song....

Hugs and kisses and friendly
words
Are better than hits and shoves

Nothing in this world feels
better
Than giving each other love.
If you feel like throwing a fit
Take a deep breath – get over it
Follow the Fairies' Golden Rule
If you are nice to others they
will be nice to you!

I knew a little boy who loved to
fight
Arguing with everybody day
and night
But in his heart he was not glad
He had no friends – he was so
sad.

There was a little girl who
never took her turn
She always cut in line and she
never learned
That taking turns is really fun
There's lots of turns for
everyone.

That's why we sing the Fairies'
Golden Rule!

Hugs and kisses and friendly
words
Are better than hits and shoves

Nothing in this world feels
better
Than giving each other love.

If you feel like throwing a fit
Take a deep breath – get over it.
This is our sincere
advice to you...

You can get just what you need
Using words like thank you
and please

Please take turns, please be nice
Never push and never fight.

That's why we sing the Fairies'
Golden Rule!

Hugs and kisses and friendly
words
Are all you need – it's true
If you're nice to others
They will be nice to you!

BRAND NEW DAY

Back on the road and we'll
be fine
Don't worry we'll be on time
From now on we'll get along
Together we'll be twice as
strong.

You help me and I'll help you
Taking turns we'll see it
through
Nothing can stand in our way
Tomorrow is a brand new day.

It's a long road ahead
Full of laughter and adventures
We can all be friends
Friends forever you can be sure.

When the morning comes
We will have such fun
Tomorrow is a brand new day!
Yes, tomorrow is a brand new
day!
