

TAKE A RIDE

*We're gonna take a ride!
Across the city down the highway
Take a ride!
Any way you go is my way
Take a ride!*

*All through the town
As the wheels on the bus
go round and round
The wheels go round and round!*

*When I sit and take my seat
And I look out the window
The world starts to roll on by
Riding the bus is a magical show*

*When I turn the motor on
And I start to give it some fuel
We're ready to go to town
Driving the bus is really cool*

Chorus

*All aboard, move on back
Find your seat and relax
Downtown – grab a ride
Take the bus to the upper west side*

*Red line, number four
Ride the bus to the country store
Going here and going there
The Bus can take us anywhere*

Chorus

We're gonna take a ride!

MANGO AND THE MOON MOUSE

*Moon Mouse came down to earth
To find the perfect cheese
Cheddar, Colby, Monterey Jack
He barely stopped to sleep*

*Then one night the moon did call
All mice to come back home
But Moon Mouse forgot the way
Until he met Mango
That's me!
Can you hear them sing?*

*Oooh, Oooh, Oooh!
Eeeh, Eeeh, Eeeh!
We are one big family
Eeeh! Eeeh! Eeeh! Oooh, Oooh, Oooh!
Let's ride the Bus to the moon
We'll ride the bus to the moon
We'll ride the bus to the moon*

SHOPPING

*We're going shopping
And we're hopping
Down the aisles of the store
Where we buy our food
We brought some money
For some honey
Or a bag of crispy carrots
That are fun to chew*

*So we make our food selections
As we're browsing through
each section
And we take it to the checker
where she RINGS US UP!*

*In my cabana, I eat bananas
Well I really think I should
They taste so creamy and so good*

*I don't want just one
That's really no fun
So it's lucky for my lunches
Bananas come in bunches
I can eat them to my
heart's content!*

*It's not so tricky,
My being picky
Fresh fruit, no fatty foods*

*I even like tofu
There's lots of good treats
Don't have to be sweet
So I find the nummy yummys
That feel sunny in my tummy
And I'm ready for a happy
healthy day!*

Chorus

*I do like cheddar
I think it's better
Though some havarti with dill
Does give me quite a thrill
Red, white and blue cheese
I need it soon, please
'cause with every cheese I pick
I can cross it off my list
And before you know it
we'll be blasting off
To the moon!*

*I'll fill my wagon,
with food for dragons
But I really have to say
I shop with some dismay
'cause I'm not finding all my
normal foods*

Chorus

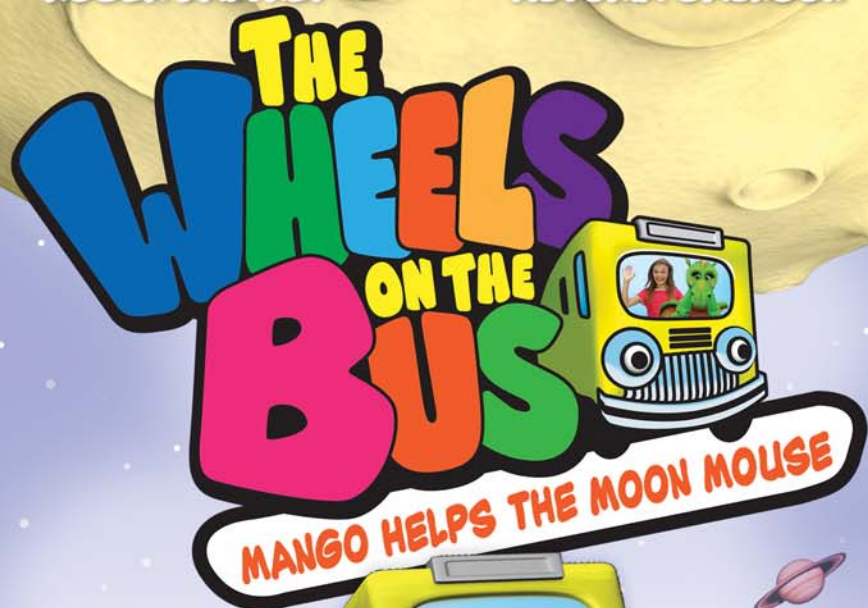

*So we carry out our food
And we're in a happy mood.
'cause now we're ready
to blast off!
To the moon?
Let's go soon!
Grab that cheese.
And come along
with me!*

From the bottom of our itty

Our gratitude is mighty
So we hope you'll pay attention to
Our very, extraordinary,
